

iTPS™
ISHIDA TOTAL PACKAGING SYSTEM
for SNACKS

**Ishida's easy-to-operate
high-speed packaging
system for snack products**

ITPS for SNACKS

Innovative features offer cutting edge solutions for high-speed snack packaging!

1. Seamless integration of weighing/bagmaking/error rejecting/seal checking & weight checking at high speeds (up to 180 bpm).
2. ITPS Coordinator integrated system controls, allowing preset selection, machine setting, production reporting, and other operator functions from a single control panel.
3. Integration with OEM equipment, such as metal detector, data printer, and feed conveyor.
4. Total integration of machine design.
