SHOWCASE OVERVIEW

HEAT AND CONTROL

MASTERMATIC

Our showcase covers a wide capability of equipment and support solutions, and our subject matter experts across our product lines will be available to discuss your needs. **Whatever you want to make, we'll make it happen.**

Live Equipment + Demonstrations + Expertise

Integrated Snack Food Packaging

- _ High speed, small bag Ishida Inspira VFFS bagmaker, with CCW-AS multihead weigher, TSC-AS seal checker
- _ Entry-level Ishida Astro VFFS bagmaker, with CCW-RVE multihead weigher

Seal Checking

- _ Ishida TSC Series
- _ Leak detection + bag thickness testing

X-ray Inspection

- Ishida IX Series X-ray*
- _ The latest photon counting dual energy technology IX-P
- _ Genetic Algorithm IX-GN
- _ Entry level IX-EN

Checkweighing

- Ishida DACS Series*
- _ Combination Ishida DACS Checkweigher Conveyor + CEIA Metal Detection
- _ A wide range of DACS models, and options on the floor

Multihead Weighing / Scales

Ishida Computer Combination Weigher (CCW)

NEW at Pack Expo

CCW-AS Series for these applications

- _ Dry products/confectionery, high speed, small bag
- _ Fresh produce, large leaf salad, large volume
- _ Small target weight
- _ Fresh proteins, sticky products, hygienic sanitary design

Metal Detection

CEIA The world's only multi-spectrum technology supplier

Food Metal Detection

- _ Heavy washdown conveyor: **NEW** THS/210®MBH9
- _ All kinds of food products, with multi-spectrum
- _ Free fall, granular products
- _ Liquid/viscous products, pipeline
- _ Meat vacuum filler, pipeline
- _ Entry level systems, single- and multi-frequency

Pharmaceutical Metal Detection

- _ Tablets, capsules, gel caps
- _ Powders, free fall

Food Processing

- _ Water Sustainability: Cascade Water Recirculation System for potato processing applications
- _ **NEW at Pack Expo** Tek-Dry industrial food dryers, ovens, toasters, roasters, and coolers for a wide variety of product types

Conveying

- _ Latest generation FastBack 4.0 horizontal motion conveying
- _ Lift & Tip compact footprint vertical incline conveyor

Equipment Training

- _ Level up your training plan, learn about training options
- _ Experience how modern eLearning tools can improve operator training productivity

Symphony Seasoning

Improve snack seasoning operations and a cleaner working environment

- _ FastBack® Symphony On-Machine Seasoning
- _ Spray Dynamics® Symphony In-Kitchen Seasoning

Controls & Information

- _ Operator HMI: take a test drive of latest New Horizon full plant controls system
- _ **NEW** bar code system for simple line setup
